# UN Control Of Our A-Bomb Will Be Death Blow To U.S.

JEWS HOLD TIGHT CONTROL OVER THE ATOMIC PROGRAM—BOTH WAR AND PEACETIME

Nowhere has the control of the Jewish international bankers and their Communist philosophy of government been more apparent than in the atomic energy program. Sen. Herbert Lehman sent Dr. Alexander Sachs, an employee of his Jewish international banking house, Lehman Brothers, to the late Pres. F.D. Roosevelt in Oct., 1939 with a letter from the inveterate Communist-fronter, Albert Einstein, ordering FDR to start work on the atomic bomb. John Hancock, partner of Lehman Brothers, was alternate delegate with Wall Street gambler Bernard Baruch representing the U.S. on the United Nations Atomic Energy Commission. When Gordon Dean stepped aside for Strauss as Chairman of the U.S. Atomic Energy Commission, he became a \$100,000 a year "consultant" to Lehman Brothers. The Oppenheimer treason case was decided by Thomas A. Morgan, a director of Sen. Lehman's giant holding company, the Lehman Corporation!

#### David Lilienthal

David Lilienthal, scion of the Jewish international banking house of Hirsch Lilienthal (now known as Hirsch & Co.) was appointed by Truman as the first Chairman of the U.S. Atomic Energy Commission. He fought fanatically against the American development of the H bomb until the USSR had time to catch up with the U.S., and only then did he resign.

#### Lewis Lichtenstein Strauss

Lilienthal's dominant place on the U.S. Atomic Energy Commission was taken by Lewis Lichtenstein Strauss, partner of the international Jewish banking house of Kuhn, Loeb Co., which financed the bloody anti-Christian Communist revolution in Russia in 1917. Appointed by Truman, Strauss was called by Eisenhower to be his personal advisor on atomic energy. Do you get the picture? No less than three international Jewish bankers, Lehman, Lilienthal, and Strauss, all with Marxist connections, have been in constant control of the United States atomic energy program since its very inception. Under their regime, the Jewish Communist spies who gave the atom bomb to the USSR were hired.

Anna M. Rosenberg, identified before a Senate Subcommittee as a Communist, hired 10,000 people for the Man-

Anna M. Rosenberg was a protege of Bernard Baruch who took over the task of representing the U.S. on atomic problems.

#### Military vs. Civilian Control

As soon as World War II was ended, the Jewish left-wing press, spearheaded by Eugene Meyer's (Jew) Washington Post, and the Commie Daily Worker, began a hysterical campaign to get the atomic bomb away from military control. Although it was and is a military weapon, the Jews argued that our loyal American generals would use the bomb to create a "fascist" state here in America (fascist being a catch-all term for anyone who opposes Jewish Communism). They were so successful in this vicious propaganda that the public was lulled to sleep.

David Niles (Neyhus), Truman's Jewish master in the White House, created the U.S. Atomic Energy Commission in 1946, which took atomic energy control away from our generals and gave it to a five-man board, of whom 4 were Jews and 1 Gentile, a fellow-traveler of the Zionist conspirators.

This Commission was headed by David Lilienthal, now consultant with the international Jewish banking house of Lazard Freres, which was Eugene Meyer's family banking house. The other 3 Jews were Strauss of Kuhn, Loeb & Co. and Dr. Robert F. Bacher, who was at the Los Alamos atomic bomb base with Jewish Communist spies David Greenglass and Julius Rosenberg, and Wm. Waymack, editor of the Des Moines Register Tribune, owned by Gardner Cowles of Look Magazine, which follows the pro-Jewish racial line laid down by Eugene Meyer's Washington Post. Waymack's name has appeared on the boards of directors of many organizations dedicated to the destruction of the U.S. among them the American Association for the United Nations, a nest of Communist fellow-travelers. He also is a director of the Federal Reserve Bank of Chicago. The Federal Reserve System was set up by Paul Warburg of Kuhn, Loeb & Co. as exposed in "The Federal Reserve Conspiracy" (order from COMMON SENSE, \$1.00). The Gentile stooge was Sumner Pike, a Wall Street banker.

Today the five-man Commission is headed by Lewis L. Strauss, who besides being a partner of Kuhn, Loeb & Co. is on the board of directors of Industrial Rayon Corporation. He is also a director of Radio Corporation of America, Rockefeller Center Inc., and the National Broadcasting System, which may explain the Marxist orientation of our radio-television networks.

More alarming is the fact that most of the members of the U.S. Atomic Energy Commission to date have been members of the Council on Foreign Relations, central and co-ordinating international agency in the U.S., supported by Kuhn Loeb and the Rothschilds, and sister organization of the Royal Institute of International Affairs in London, also supported by the Rothschilds. These two organizations were founded jointly by Baron Eduard de Rothschild at the Paris Peace Conference of 1919, and are parent-institutes of the Institute of Pacific Relations, the agency which the McCarran Committee investigation proved was responsible for the delivery of China to the Soviet Union, giving Communism 400,000,000 new allies, and condemning the Chinese people to hopeless slavery under Jewish commissars from Moscow. Thus the Chinese Communist troops were able to slaughter thousands of captured American boys in Korea. However, the Institute of Pacific Relations traitors still go unpunished, because they are the Wall Street bankers and lawyers who support Communism.

#### Oppenheimer's Treason

On April 6, 1954, Senator Joseph R. McCarthy revealed to his television audience that traitors had delayed our development of the hydrogen defense bomb program by 18 months. He declared that our intelligence agencies had informed him that the Soviet Union had caught up with our lead in the production of nuclear weapons. He also said he wanted to make a full scale investigation into the H-bomb treason.

This meant that he would be investigating the three international Jewish bankers, Lehman, Lilienthal, and Strauss. Immediately a terrific smear campaign, more intense than any yet made against him, was launched through radio, television, and the press. The television farce of McCarthy-Army began, its avowed purpose being to crush McCarthy once and for all, its instigators believing that because the entire proceedings were so ridiculous, McCarthy would necessarily be made ridiculous. Of course Secretary of the Army Stevens would be made into a Milton Berle type of clown, but he was to be sacrificed in the vicious attempt to halt McCarthy's coming probe into the H-bomb program.

#### Doom Of Western Civilization

Because of the 18 month delay in our production of the H-bomb, by Oppenheimer and Lilienthal, Sen. McCarthy warned that our nation and our civilization may die. It is almost a certainty that this means a 3rd World War with all the horrors of atomic

weapon destruction visited upon our homeland. The terrible blame rests upon these Jewish bankers and their Jewish scientists who profess the Marxist philosophy. The N.Y. Times, Congressman Sterling Cole of the Joint Congressional Committee, and every other authority on the subject name David Lilienthal and J. Robert Oppenheimer as the two men who delayed the H-bomb. What is wrong with us? Do we have to be shot down in our homes before we see the necessity for protecting our nation from these enemies in our midst? Oppenheimer is the personal protege of Lewis Lichtenstein Strauss, as revealed by the N.Y. Times of April 13, 1954, which stated that Strauss had appointed Oppenheimer to the post of head of the Institute for Advanced Study at Princeton, New Jersey.

Had we been able to retain our leadership in the production of atomic weapons, we could have warned the Soviet Union, "Stop the spread of aggressive Communism and release the captive nations from the death-grip of your Jewish commissars, or we will employ atomic weapons against you." This course of action has been urged by many of our military leaders, who recognized long ago that either the Soviet Union would wipe us out or we would stop Communism. There is no middle ground in dealing with an international conspiracy. Sinister influences in Washington demoted and silenced those military leaders, gave the atomic bomb to Russia, and delayed our production of the H-bomb. These influences have now been proven to be entirely Jewish, boldly committing treason from the protection of the White House on a scale hitherto unknown in the world.

#### Jew Control

The N.Y. Times of April 18, 1954 says, "Fermi, Szilard, and Wigner of Princeton met with Alexander Sachs of the Lehman Corp. to discuss the possibility of an atomic bomb. On Oct. 11, 1939, Sachs read to FDR a letter from Einstein and a memo from Szilard. The President ordered an advisory Committee on Uranium to be set up."

Who's Who In America, 1951, contains the following entry,

"Dr. Alexander Sachs,—born Rossien, Russia, economist, graduated from Harvard Graduate School, now economic advisor and director of the Lehman Corp., member of the National Policy Committee, special consultant to the Office of Strategic Services during WW II, originated the atomic project in conference with President Roosevelt in 1939, and served as the President's representative on the organizing committee of the Manhattan Project (atomic bomb program)."

A Gentile, Major General Groves, was placed in charge of the Manhattan Project, but he was powerless to maintain control over the horde of alien Jewish Communists which infiltrated every level of the operation. The influence of Harry Hopkins and Anna Rosenberg was too much for him. They as well as Dr. Sachs must be held responsible for the long list of convicted Jewish spies, Rosenbergs, Greenglass, Sobel, Gold, Brothman, Weinberg, etc. who gave the atomic bomb to the USSR and placed the American people in grave danger of atomic annihilation.

Dr. Sachs was a special consultant to the Office of Strategic Services in 1945

when that agency compiled a secret list of German scientists who had been working on the atomic program in Germany, and gave that list to the Russian secret police, who immediately arrested these scientists and shipped them to Russia to work in the Soviet atomic program. Those on this list, whose names could have been known only to Sachs or his co-workers, were obligingly arrested by our military police, acting on orders from the Eisenhower administration of Germany, and handed over to the Reds.

#### Baruch And The Atomic Program

The aged Bernard Baruch himself came out of retirement to take charge of the atomic program. He appointed himself U.S. Representative to the United Nations Atomic Energy Commission in 1946, and came forth with a plan for international control of atomic energy, blissful of the fact that it had been developed in the U.S. with American money and resources. The following year Oppenheimer came out with a program which clearly showed his political allegiance. He wanted a World Atom Authority, with 6 laboratories in different countries, to be open to any scientist of any nation seeking information and aid in atomic development. Naturally this would include the Soviet Union.

The alternate U.S. Representative to the U.N. Commission on Atomic Energy was John Hancock, partner of Sen. Lehman's family banking house of Lehman Brothers, which has furnished so many top people for the atomic program.

#### Atomic Treason

In Nov. of 1946 it was estimated by our intelligence agencies that Russia could not possibly build an atomic bomb in less than 6 years, and even in 1949 the Presidential Commission on Air Policy set 1953 as the earliest date we could expect an atomic attack from the Soviet Union. Only a few months later, in Sept. 1949, Truman announced that an atomic explosion had taken place in the Soviet Union. The Jewish Communist spies had been able to deliver our plans to our enemies.

#### Bombing Of Japan

Not only had the Jews given the USSR the atomic bomb, but by deliberately engineering an atomic attack upon Japan during the closing weeks of WW II, they had placed the U.S. in the intolerable position of having been the first to use the horror weapon against civilians, thus giving the Soviets the excuse to use it on us whenever it suited them. Our military leaders have now testified that it was completely unnecessary to use the atomic bomb on Japanese civilians. Japan, already defeated, had been suing for peace for weeks, but we would not receive her offers. The Emperor and Prime Minister, Suzuki, in July, desperately tried to make peace, but Soviet Ambassador Malik, in Tokyo, sabotaged the peace efforts of the Japanese government.

Who ordered the atomic bomb used against Japan? The lawyer for Kuhn, Loeb & Co., Henry L. Stimson, senior partner of the Wall Street firm of Winthrop and Stimson and law partner of the fanatical Zionist leader, Supreme Court Justice Felix Frankfurter, boasts that he is solely responsible for the decision. Stimson was FDR's Secretary of War. In his autobiography, "On Active Duty in Peace and War," Stimson says on page 612;

"For nearly 4 years I was directly con-

nected with all major decisions of policy on the development and use of atomic energy, and from May 1, 1943 until my resignation as Secretary of War on Sept. 21, 1945, I was directly responsible to the President for the administration of the entire undertaking. At the same time I was the President's senior advisor on the military employment of atomic energy. The atomic energy undertaking was not solely American. It was another and conspicuous example of co-operation between the U.S. and the British Commonwealth, in this instance represented by Great Britain and Canada, the latter being a critically important sources of raw materials. In April I set up the Interim Committee which held discussions on the whole field of atomic energy. I was its chairman, but the principal labor fell to George L. Harrison (The governor of the Federal Reserve Bank of N.Y., who is dealt with at length in The Federal Reserve Conspiracy), who acted as Chairman in my absence; Ralph A. Bard, Under Secretary of the Navy; Wm. L. Clayton, Under Secretary of State (a former law clerk to Justice Brandeis, fanatical Zionist leader and uncle of Felix Frankfurter.) Dr. Vannevar Bush, Chairman of the Carnegie Institution of Washington (which made many grants to pro-Communist fellow travelers); Dr. Karl T. Compton, and Dr. James B. Conant (as Pres. of Harvard, refused to discharge revolutionary Communist professors). The Interim Committee recommended on June 1, 1945 that the bomb should be used against Japan without any specific warning. The ultimate responsibility for the recommendation to President Truman rested upon me. The detailed plans were brought to me for approval. I approved 4 targets including the cities of Hiroshima and Nagasaki."

Here Henry L. Stimson was acting as the front for his law partner, Felix Frankfurter, just as Dean Acheson, who walked to work every morning with Frankfurter, used the State Dept. to destroy General MacArthur and lose the Korean war to the Communists.

This bland confession of guilt for the slaughtered hundreds of thousands of helpless Japanese civilians by radio-active poisoning at Hiroshima and Nagasaki also appeared in Harper's Magazine, Feb. 1947. Stimson, the creature of Kuhn, Loeb & Co., was the law partner of Bronson Winthrop, director of the International Acceptance Bank and the Bank of Manhattan, both enterprises of the Warburg Family of Kuhn, Loeb & Co.

Admiral Ellis Zacharias, head of the Office of Naval Intelligence, says in his book, "Behind Closed Doors,"

"The development of the atomic bomb needed foreign prodding and encouragement. It was left to a group of foreign-born physicists, centering on L. Szilard, and including E. Wigner, E. Teller, V.F. Weisskopf, and their foreign-born sponsor, Dr. Alexander Sachs, to stimulate reluctant American support for its use for military purposes." (All these are Jews)

This valuable testimony by a Secret Service chief proves that Americans would never have used the horror weapon on helpless civilians, but the stooges of the international Jewish bankers went ahead and dropped the atom bomb on Japanese cities, without the knowledge or approval

# Will EISENHOWER GIVE OUR BOMBS TO THE SOVIETS?

## Last Act In The Sellout Of America

FOR GIVING THESE SECRETS AWAY THE ROSENBERGS WERE ELECTROCUTED!

1.- Eisenhower's "ATOMS FOR PEACE" Treaty (Should be called Atoms For War) to come before SENATE any day now for Ratification.

2.- U.S. will give one-half billion dollars worth of U-235 (2000 Kilograms) to an International Atomic Energy Agency under the United Nations, to be distributed to other nations, INCLUDING COMMUNIST NATIONS!

3.- This is enough U-235 to make 2200 atom bombs, enough to wipe every major U.S. city off the map.

4.- We are the givers, all other nations the takers.

5.- Once we give this, we will have only 1 vote out of 39 as to who gets the bomb material.

6.- Communist nations on the International Committee will have 4 votes our 1.

7.- There is no effective means of inspection to insure such material will be used for PEACEFUL purposes. To be effective, inspection committees would have to inspect 24 hours a day, 365 days a year. No such inspection is provided. Feeble inspection mentioned will include Communist inspectors.

8.- Even Red China, a non-member of the U.N., can be given the material if a majority of the thirty-nine nation Committee vote to do so.

9.- You well know that all atomic material going to Red satellite nations such as Poland, Hungary, Rumania, Bulgaria, Yugoslavia, and Albania, will be turned over to their boss the Soviet Union, in addition to the share the USSR gets direct!

10.- You well know that the Soviet Union will not use this for PEACEFUL purposes.

11.- You well know this atom bomb material given by us, will likely be used to bomb us into surrender.

12.- This is the plot of the Internationalists in this country to wipe out our government and force us to accept a United Nations ONE WORLD COMMUNIST CONTROLLED government, a dictatorship such as the world has never known.

13.- Eisenhower's "ATOMS FOR PEACE PLAN" is not Eisenhower's any more than the Marshall Plan was General Marshall's. The Zionist masterminds set up these plans; then to inspire confidence in the Marxist plan, they arrange for a respectable name.

14.- We remind the reader of Eisenhower's speech before the U.N. on Tuesday Dec. 8, 1953. To lay the ground-work for this speech, which was based on the plan to give the atomic bomb to the U.N., a meeting of the "big three" had just been held in Bermuda. Previous to the meeting newspapers announced that Bernard Baruch would be the advisor to Eisenhower at

Bermuda. The announcement caused unfavorable comment and Baruch did not appear; however it is believed he kept in close contact by telephone.

15.- C.D. Jackson (Jacobson) a Jew, and former editor of FORTUNE MAGAZINE, then military advisor to the Administration, was at Eisenhower's side, as were Lewis L. Strauss, Chairman of the Atomic Energy Commission and Hyman G. Rickover, head of Peacetime Atomic Energy. It is also a good guess that Max Rabb was at Ike's elbow too. All 5 mentioned above are Zionist Jews. Winston Churchill, who on 3 public occasions has stated he was a Zionist, was also at Bermuda. David Lilienthal was the first head of Atomic Energy. Why is it that since the invention of the atomic bomb it has always been under control of Jews?

16.- This atomic gift to the U.N. nest of traitors was looked upon as a death stroke to the U.S. and did not go over.

17.- Now we have a different and more deadly approach. Our Senators are to be asked to hold their noses and vote to put us at the mercy of a world dictatorship! Under heavy Zionist pressure they will do it without reading the fine print UNLESS YOU AS AN INFORMED PATRIOT PROTEST AND HAVE YOUR FRIENDS WRITE AND PROTEST TO YOUR SENATORS!

YOUR ACTION TO HEAD OFF THIS DEATH BLOW TO AMERICA IS REQUIRED AT ONCE!! RAIN ALL 96 SENATORS WITH YOUR PROTESTS AND DEMAND A REPLY AS TO HOW THEY WILL VOTE THUS PUTTING THEM ON RECORD, SO THEY CANNOT IGNORE YOU. URGE YOUR FRIENDS AND RELATIVES TO DO LIKEWISE.

LIST OF U.S. SENATORS FOLLOWS. RAIN THEM WITH PROTESTS AND DEMAND A REPLY. THIS IS MOST URGENT IF AMERICA IS TO BE SAVED FROM DESTRUCTION!!!

## IKE'S MIDDLE-EAST PLAN & PROTOCOL No. 10

Many well-meaning people have been influenced to believe the "PROTOCOLS of ZION" are a forgery. Henry Ford, in an interview published in the N.Y. World, of Feb. 17, 1921, stated:

"The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are 16 years old, and they have fitted the world situation up to this time. They fit it now."

Those who have a copy of the PROTOCOLS are asked to turn to Protocol No. 10 and read sections 13 to 20. Keep in mind this was written more than fifty years ago, then consider Eisenhower's demand for the power of a Military Dictator in the Middle East.

We quote in part from Protocol No. 10:

The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. Naturally, the

authority of the presidents will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that mob. Independently of this we shall invest the president with the right of declaring a state of war. We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution.

Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of interpellation on government measures, on the pretext of preserving political secrecy, and, further, we shall by the new constitution reduce the number of representatives to a minimum, thereby proportionately reducing political passions and the passion for politics. If, however, they should, which is hardly to be expected, burst into flame, even in this minimum, we shall nullify them by a stirring appeal and a reference to the majority of the whole people.

The president will, at our discretion, in-

terpret the sense of such of the existing laws as admit of various interpretation; he will further annul them when we indicate to him the necessity to do so, besides this, he will have the right to propose temporary laws, and even new departures in the government constitutional working, the pretext both for the one and the other being the requirements for the supreme welfare of the State.

By such measures we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is come to turn every form of government into our despotism.

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence—a matter which we shall arrange for—of their rulers, will clamour: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders—frontiers, nationalities, religions, State debts—who will give us peace

— (Continued on Page 4) —

**U.N. CONTROL OF A-BOMB**

—o— (Continued from Page 2) —o—  
of the American people, most of whom were horrified when they heard about it. Specially selected personnel of 15 for the mission to deliver the atomic bomb to Hiroshima and Nagasaki included 7 Jews, directed by a Jew, Gen. Curtis LeMay, or more than 50% when we consider Jews constitute only 5% or 6% of the population of the U.S. The inhabitants of Hiroshima and Nagasaki were doomed to their horrible death by Kuhn, Loeb lawyer Stimson and his circle of Red physicists. Now the USSR can say "We have every right to drop atomic bombs on the U.S., because she used them first against the Japanese civilians."

While international Jewry directed the development of the atomic bomb, its very existence was kept a secret from the American people. It was truly the best-kept secret of the war, although Major Racey Jordan in his diaries, published by Harcourt Brace, 1952, records that Harry Hopkins sent tons of reports and uranium samples to Russia via air mail through the Lend-Lease Air Base at Great Falls, Montana. Thus the Communists were kept informed of every atomic development, while loyal Americans were not allowed to know about or participate in the program.

However, one "American" journalist was permitted to know everything about the atomic bomb project. Of course he was a foreign-born Jew. Here is his Who's Who In America biography for 1951:

"William L. Laurence, son of Lipman and Sarah (Preuss) Siew, born in Salantai, Lithuania, graduate of Harvard Law School. Selected by heads of the atomic bomb project to visit secret war plants and write series of reports following use of bomb against Japanese from April to Sept., 1945. Only journalist present at first atomic test explosion in New Mexico July 16, 1945. With atomic bomb mission to Marianas Islands, Aug. 1945, flew with mission to Nagasaki, witnessed both atomic bomb explosions at Bikini, awarded Pulitzer Prize for report on Nagasaki."

William Siew does not bother to inform us how he came by the name of Laurence, or who selected him to be the only journalist allowed to know about our bomb. A Lithuanian Jew, his loyalty was presumably greater than that of native-born Americans. He's now atomic expert for the N.Y. Times, owned by Jews, Sulzberger and Adler, who boast that news must be slanted.

**Atomic Submarine**

When the Navy started building an atomic submarine, a former personal aid of Lewis Lichtenstein Strauss, was chosen to head the program. He was Captain Hyman Rickover, a sinister-appearing Jew. Subsequently, the White House ordered the Navy Dept. to promote Rickover to the rank of Admiral over the heads of hundreds of loyal Gentile officers. The Navy refused and a desperate battle ensued. The outcome was that Rickover was made an Admiral, and the upper echelon of our Naval officers was left completely disgusted and demoralized. One top naval officer said in an interview that the damage done our Navy by the Rickover case was incalculable, and had greatly assisted the Russians by breaking down the morale of our officers.

**The Strange Case Of Dr. Oppenheimer**

Of course a Jew, Dr. J. Robert Oppenheimer, a scientist, was placed in charge of the atomic research program from the very beginning, while the Jew, Anna Rosenberg, of Budapest, Hungary, was placed in charge of hiring the manpower for the project. The American people were horrified when Maj. Gen. K.D. Nichols of the Atomic Energy Commission, charged in a letter to Oppenheimer on Dec. 23, 1953, that Oppenheimer's brother, Dr. Frank Oppenheimer, had been an ardent and longtime member of the Communist Party, that J. Robert Oppenheimer's wife Katharine Puening had been the wife of a fanatical Communist, Joseph Dallet, who was killed fighting for the Communists in Spain, that she met Steve Nelson (Mesarosh) in Spain, that

when she came to the U.S. and married Dr. J. Robert Oppenheimer, Steve Nelson, one of the top echelon Communists, was a frequent guest in their home in Berkeley, California.

Many other Red connections of Oppenheimer were cited, his membership in some of the more notorious Communist-fronts, his signature on numerous petitions in behalf of Communist causes, his frequent entertainment of the most prominent Communist leaders of the U.S., and his close connections with Jewish Communist spies in the atomic energy program.

Consequently, Oppenheimer was removed from the atomic energy program, and denied access to our atomic installations. On May 28, 1954, the AEC decided that Oppenheimer was "a loyal citizen." But they couldn't trust him with our national security! However, this was only a joke. All of our top-secret atomic developments were kept at the Institute for Advanced Study in Princeton, N.J., a Jewish cultural center set up by the late Louis Bamberger, wealthy department store owner of Newark, N.J., and directed by L.L. Strauss, who placed Oppenheimer in charge of the Institute. The longtime friend of the USSR, Albert Einstein, who had urged Communists not to testify before Congressional Committees, was at the Institute, and Emmanuel Goldenweiser, the Russian Jew who directed the Federal Reserve System for 30 years, was also sent to the Institute upon his retirement.

This is an admirable case of locking the barn door after the horse has been stolen. Oppenheimer and his little group of Jews at the Institute has all of our atomic secrets. The obvious course is that Oppenheimer should be arrested at once and the atomic secrets removed from the Institute. The Jewish scientist Bruno Pontecorvo worked his way to the top of Great Britain's atomic program, then took the English plans and his wife and children and fled to the USSR. What is to prevent Oppenheimer from doing the same?

**H-Bomb Delay**

Already it has been proved that Oppenheimer has done inestimable harm to our defense program and has been of great assistance to the Soviet Union. On Feb. 12, 1950, Oppenheimer, Lilienthal, and Albert Einstein appeared on Eleanor Roosevelt's TV program and opposed the development of the H-bomb. Dean Acheson, lawyer for the Soviet Union participated in National Security Council discussions which delayed the production of the H-bomb. The Nichols letter of Dec. 23, 1953, charged that Oppenheimer continued to fight a desperate delaying action against the H-bomb even after it had become a matter of national policy on which the go ahead had been given by our government. He even tried to dissuade other scientists from working on the H-bomb!

**Protege Of Lewis Strauss**

J. Robert Oppenheimer is a personal protege of Lewis Lichtenstein Strauss, the present head of the AEC, and international Jewish banker, partner of Kuhn, Loeb & Co. which financed the Communist Revolution in Russia, according to the Sisson Report to President Wilson in 1918, according to the Overman Report (Senate Document 66, 1919) and according to many other Government documents. In the society column of the N.Y. Journal American Feb. 3, 1949, Cholly Knickerbocker said:

"Today it is estimated even by Jacob Schiff's grandson, John Schiff, a prominent

member of N.Y. society, that the old man sank about \$20,000,000 for the final triumph of Bolshevism in Russia."

Jacob Schiff was the senior partner of Kuhn, Loeb & Co. John Schiff is now President of the Boy Scouts of America. His sister Dorothy Schiff, many times married, is editor of the violently left-wing N.Y. Post. Naturally she has staffed her paper with a number of Marxists who call themselves "ex-Communists."

The N.Y. Times of March 24, 1917, told of wild revels by Jewish Communists at Carnegie Hall the previous evening, led by Rabbi Stephen S. Wise and Geo. Kennan, personal agent of Jacob Schiff in Russia before the Communist Revolution. Kennan boasted of how he had distributed tons of revolutionary propaganda to Russian prisoners in Japan during 1905, all paid for by Schiff. His nephew and namesake, George Kennan, subsequently became Ambassador to Moscow.

**Why Atomic Energy?**

The Jews had to gain control of atomic power for several reasons. First of all, they already control most of the public power in America and other nations. Victor Emanuel's giant holding company, Std. Gas and Electric, controls one-third of U.S. electrical power, J. and W. Seligman's holding company Electric Bond & Share, controls one-fourth, Lehman's holdings in Niagra Power accounts for another huge portion, while the Schoellkopf family and Kuhn, Loeb & Co. hold the rest of public utilities.

If atomic power were developed outside of Jewish hands, it would bankrupt them and their billions of dollars worth of holdings in electrical power. Consequently, they wrested control of it from the U.S. Army, set up a 5 man Commission according to the plan of David Niles, and set up a Joint Congressional Committee on Atomic Energy.

and quiet which we cannot find under our rulers and representatives."

But you yourselves perfectly well know that to produce the possibility of expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and all else.

But if we give the nations of the world a breathing space the moment we long for is hardly likely ever to arrive.

Copies of the Protocols may be secured from the CHRISTIAN EDUCATIONAL ASSOCIATION for one dollar. (\$1.00)

It should be daily reading for Patriots. When Ike gets the Military power in his hands by the Middle East Plan, Congress will become powerless and we will have a military "Dictatorship" as stated in Protocol No. 10.

**ARE REFU-JEWS BUYING UP MAIN STREET U.S.A.?**

Wonder how much truth there is to the rumors we've been hearing that the "foreign aid" dollars (which we taxpayers finance) are finding their way back into this country through the refu-Jews, and then used to buy up the main street of all important towns in America. It is believed many billions have been used thusly in this country already.
